## **SALES TAX EXEMPTION**

for California-based Customers Placing Out-of-State Orders

Date: \_\_\_\_\_

I, \_\_\_\_\_ (print name), as an authorized representative of

\_\_\_\_\_ (company name), certify that we

have placed an order to purchase goods from Blue River Digital Inc., goods that are intended for use outside the state of California, and which will be shipped directly to our out-of-state destination by Blue River Digital Inc., and which are therefore potentially exempt from sales tax. I understand and agree that, pursuant to California Revenue & Taxation Code sec. 6247, this property is not to be brought into the state of California within 90 days of purchase; otherwise, its tax-exempt status may be subject to review by the State Board of Equalization, the results of which review may bind us to pay such sales tax to Blue River Digital Inc.
